POLICE are launching a national manhunt - **with a \$1 million reward** - for a man they believe ordered the murder of a *self-proclaimed vampire* S

His name is Mark Adrian Perry. The authorities believe he is behind the shooting of "Vampire Gigolo" Shane Chartres-Abbott in June 2003, the Sunday Herald Sun reports.

An arrest warrant is also understood to have been issued for Mr Perry - the former boyfriend of a woman Chartres-Abbott allegedly raped and assaulted.

Detectives believe Mr Perry ordered the execution of the self-proclaimed vampire male prostitute who was gunned down in the Melbourne suburb of Reservoir in daylight.
