

www.mirror.co.uk ", By Richard Smith 14/11/2009

A convicted killer, Mark Shirley, **39**, was found guilty of raping a 40-year-old woman. He attacked her at knife-point in her own home in a bid to reenact a **ritualistic** murder he committed
years ago

22

Shirley **was 16** when he murdered Mary Wainwright, 67.

He was given a **life sentence** but released **on parole** for the second time in August 2008.

Seven months ago he was released from jail on parole.

He will be sentenced on December 15.
